

Announcement for Immediate Release

Effective September 19, 2016

Mr. Dale Welch - Special Advisor to TAPIT ALL Lubricants

TAPIT ALL Lubricants is pleased to announce that effective September 19th, 2016 Mr. Dale Welch will be assisting TAPIT ALL Lubricants as a Special Advisor.

Mr. Welch has been actively involved in Industrial Manufacturing for over 25 years. During his distinguished career he has held a number of positions of increasing responsibility. Mr. Welch is currently Vice President of Sales and Marketing for RINECO in Benton, Arkansas. RINECO is a well-established and respected Environmental Services Company.

We are pleased to have Mr. Welch offer his experience in support of TAPIT ALL Lubricants as we continue to increase our portfolio of high performance Bio based material solutions.

TAPIT ALL Lubricants is a manufacturer of TAPIT ALL Tapping and Machining Paste as well as ENVIRO-GREASE, a patent pending material, for Mechanical Applications.

TAPIT ALL materials are made in the USA.
